Eloise, I was a teen when I met you and your sons, my future step brothers. As a senior citizen I will forever miss your cheery attitude, no nonsense approach to life's challenges, energy, generosity, and your loving attention to us all. Most of all I'll always appreciate the loving care you gave my dad until his transition. So many positive life lessons and beautiful memories too numerous to list here but you made the journey immeasurably special, memorable and deeply meaningful. Thank you for adopting me as one of your own, for the love and care and particularly- for the privilege of calling you my Stepmom.

I'll never forget that Nana Eloise taught me how to swim! I have such fond memories spending time with her and my granddad, when they lived down south in Alpharetta, GA for a few years. She always welcomed me with a strong hug, bright smile and courageous spirit. We will miss you!

To the family: Eloise and I worked together at CIBA-Geigy years ago and kept in touch over the years. I so enjoyed talking to her, her interest in my sons and grandchildren, and in my life. I miss our long chats from Georgia, back to NJ, Florida and finally Delaware. Her travels with her sisters were so much fun to hear about. Goodbye to a wonderful friend.
