# George Winston Creshine

FEB 22, 1930 - MAR 20, 2022

**G**eorge Winston Creshine, age 92, of Millsboro, DE, entered the gates of heaven to live with Jesus on Sunday, March 20, 2023. Born on February 22, 1930, in Chester, PA, he was the son of the late Winston and Greta (Blythe) Creshine.

George worked hard through his life providing for his family. As a young man, he worked in manufacturing, insurance sales, and as milkman for Wawa Dairy for 10 years. His last career was as a guard at BP in Marcus Hook, PA, where he retired after twenty-five years of service.

After retiring, George and Eleanor pursued their dream of living at the beach and made their home along the Indian River Bay in Long Neck, DE, where they enjoyed forty years at their beach home, fishing and crabbing on George's pontoon boat and riding around in his golf cart. He was a talented woodworker and enjoyed creating beautiful pieces for his family and home.

George was a member of Community Church of Oak Orchard and served the Lord in many ways. He was an active member of the choir and served as song leader for the worship service. He ministered to his church family through song and was often called upon to perform solos and with small groups. George was often asked to sing at funeral services and memorial services for friends. One often requested favorite was "The Last Mile of the Way" He was a charter member of the A.G.A.P.E. seniors group, and he served as an elder for several years, and was elected Elder Emeritus upon his retirement from the church Board. In addition to serving at his church, George communicated via email to people across the country every day, encouraging and praying with his fellow brothers and sisters in Christ. George was a loving husband, father, and grandfather and will be greatly missed by those who were blessed to have known him.

George is survived by his beloved wife of seventy-one years, Eleanor R. (Grimes) Creshine; his son, George W. Creshine, Jr. (Theresa) of New Castle, DE; his daughter, Ruth E. Pedrick (William) of Lancaster, PA; and his grandchildren, William Pedrick (Hannah) and Ruth Pedrick of Lancaster, PA.

I met George and family through his daughter Ruthie and my sister Irene being really good friends. The Creshines only lived a couple houses away from us. In 1968/69 My father and mother invited the Creshines to come down to our beach house on Rehoboth Bay in Delaware. My sister and I were going to ride with George, Elenore and Ruthie in their car and follow my parents to the beach. George had a Big Chrysler, and the color was black. It looked like the Batmobile from the Batman T.V. show. It was from that moment on we started calling George Batman and did so for over 54 years and he never minded it. In September of 2021 my wife Lisa and I were on vacation and stopped by to see Batman and Elly at their beach house. We stayed for about 2 hours or so and had great conversations, we talked about my sister Irene passing on in 2019 and my mother Jean passing in 2020 and even mentioned the Batmobile. When we were ready to leave, I shook George's hand and said we'll see you next year. Little did we know our friend would be with Jesus. Well since 2019 Ruthie has been my sister and we give our condolences to Elenore, Ruthie, George Jr. and families. We will miss our friend Batman, he was a great guy. Joseph Pharaoh and family. .
