Alice Anne Morris

JUL 30, 1944 - FEB 3, 2023

Alice Anne Morris, age 78, of Ocean View, DE, passed peacefully surrounded by family on Friday, February 3, 2023. Born on July 30, 1944, in Crossingville, PA, she was the daughter of the late John and Mary (Husaem) Chaklos.

Alice grew up in Crossingville, PA on her family homestead and worked at her family's Esso station and truck stop. She attended the same one-room schoolhouse that her father had and graduated from Cambridge Springs Joint High School in 1962. She studied Early Childhood Education and received a bachelor of science degree from Edinboro State College and a master's of science degree from the University of Maryland. Her first career was teaching elementary school in Pennsylvania, West Berlin, Germany, and Frederick County, MD. After teaching, she transitioned to business and spent over twenty years in a variety of positions at Science Applications International Corporation in Germantown, MD.

Alice believed in giving back to her community and volunteered in many ways. She was one of the first women to become a member of the Urbana Volunteer Fire Department, where she also trained as an EMT, but might be best remembered for running the glass pitch at the annual carnival for over twenty-five years. She taught CCD at St. Ignatius Catholic Church and later became a parishioner at Holy Name of Jesus, St. George's, and St. Ann's. In retirement, Alice treasured her time volunteering at Brevard County Rolling Readers and Sussex County Read Aloud Program where she would read to young children. Alice and Mike split time over many years between Urbana, MD, Satellite Beach, FL, and Ocean View, DE, where they made many friends and enjoyed hosting family and friends. Alice was known for her warmth, a smile that could light up a room, and her dedication to her family. She'd been a cancer survivor since 1993. She took pride in the beauty of her flower gardens and enjoyed her time tending to them. Alice's other favorite activities included being outdoors, exploring parks, biking, sewing, knitting, crewel embroidery, reading, dancing, traveling, and taking cruises with Mike and many friends, learning new things, and sharing her knowledge.

Mike, Jim and I are so sorry for your loss. We are neighbors in the neighborhood and always walked around to find Alice outside messing with all her plants and flowers. I am also a flower lover and she would show me her plants and tell me the names of them, etc. Alice gave me some hibiscus seeds from one of hers in the yard during the summer. I am in the process of trying to start a new plant early so I have it this summer. She was such a sweet person and always a joy to talk to. We will miss seeing her in the yard tending her flowers and plants. But I'm sure Mike will do the best he can to keep them looking as good as Alice could. Good luck with that Mike! Your in our prayers. Carol and Jim

Still trying to wrap my head around this . . . Alice, you were a force of nature; you lived your life on your own terms and fought the good fight with grace and grit. It was a privilege having you as a neighbor, a friend and a member of the family for so many years. Mike, Jim, Suzi and family, know that I am keeping you close in my heart, my thoughts and my prayers. Kelly
