# Mary Ann Scholler

DEC 1, 1942 - FEB 23, 2023

**M**ary Ann Scholler, age 80 of Lewes, DE passed away on Thursday, February 23, 2023, at Beebe Healthcare, in Lewes, DE after a long battle with cancer. She was born on December 1, 1942 in Milwaukee, WI, daughter of the late George and Mary (Kostich) Schlehle.

She married Lawrence Scholler on June 5, 1965, at St. Jerome's Catholic Church, in Oconomowoc, WI. Together they shared 57 beautiful years, but the time was still too short, so many more experiences to be shared.

Mary Ann was a quiet person who had a special love of the arts and literature. She had studied ballet and was an avid reader, but also made great fruit pies. She was a weaver and did bead work, especially jewelry. At one time she ran a small shop specializing in jewelry and crafts. Loved plants and flowers, her favorites being magnolias and peonies.

More than anything, she treasured time spent with those she held most dear. Mary Ann was a loving and devoted wife. Loved by many, she will be forever missed by all who were fortunate enough to know her.

In lieu of flowers, please consider making a donation in Mary Ann's memory to a local organization that supports the arts and the budding artists in your area.

Please sign the virtual guestbook located on the tribute page.

A thousand words won't bring Aunt Maryann back, I know because I've tried; neither will a thousand tears, I know because I've cried. ...She is Treasured in my heart, now and always. I will miss her sending me articles on furniture styles. And healthy eating tips. My favorite memories are too many to write, so will just share the one. Of the many times she took me to the nutcracker ballet when I was a child. In Milwaukee and Chicago.

Dear Uncle Larry, I am so sorry for your loss, I am keeping you in my prayers through this difficult time. Thank you and Aunt Mary Ann for all the wonderful childhood memories I will always treasure. Ballet classes, looking at all the beautiful stars and moon over beautiful Lake Michigan with your telescope and all the help you provided me with math. I will always treasure the precious time we spent together. Love Always Judy Schlehlein Morgan
