Paul Hopf Mylander

APR 14, 1943 - APR 21, 2023

On April 21, 2023, Paul H. Mylander passed peacefully at home in Lewes, DE. Born on April 14, 1943, in Baltimore, he lived in Towson, Maryland until his family relocated to their family farm on the eastern shore at Love Point on Kent Island. Paul experienced many happy memories from his boyhood where he became a hunter, a pilot and a skydiver, logging over two hundred jumps. He attended Randolph Macon Military Academy and graduated from East Tennessee State University as a member of the SAE Fraternity. He served in the U.S. Army as a commissioned officer. After a tour in Vietnam, he was awarded the Bronze Star Medal and Joint Service Commendation Medal.

In 1990, Paul moved to Delaware after working for 20 years in the financial services industry in Washington, DC, to serve as President/CEO of Delaware National Bank, which later became Fulton Financial. He retired in 2005 as Chairman/CEO of the organization.

Paul was a lifetime member of Ducks Unlimited and thoroughly enjoyed his pheasant hunting trips to South Dakota and entertaining his friends with embellished stories. He loved golf later in life and was involved in many fundraising tournaments. Paul was a devoted advocate of Beebe Medical Center and served as Chairman on both the Medical Board and the Foundation Board, and chaired multiple capital campaigns to benefit both organizations. He was also an avid supporter of the American Heart Association and was honored as the 2009 recipient of the organization's Lifetime Achievement Award. Paul was also active in Rotary International and was capital campaign chairman for CHEER, the nonprofit Sussex County Senior Services. He served on the Board of the Bank of Delmarva, the Community Bank Advisory Council of the Federal Reserve Bank of Philadelphia, the Independent Community Bankers of America, and the Delaware Bankers Association. Paul was also on the boards of the Delaware State Chamber of Commerce, the Lewes Chamber of Commerce, and the Georgetown Chamber of Commerce.

Paul and I attended the Academy together and sat next to each other in assemblies, study hall since our last names were similar in spelling (Murphy/Mylander). Back then, I lived in Easton and we shared rides back and forth to school. One memory that stands out was when he jumped out of a plane over the football field during Homecoming and parachuted in to the field during the game. Obviously, he was suspended for a few days but it was well worth it and it showed what type of guy he was, always full of life. Rest in peace my friend. Jim Murphy

Although my time was slight with Paul in person, I quickly absorbed that "sparkle" of deepest love in the eyes and voices of Paul & Pat..singly referencing each other or observing them in dialogue! This made my heart so happy for my dear friend, Pat🍷. That richness will carry you through, my friend. Your life was truly blessed in your marriage to Paul. What a guy!May he rest well.

Paul always kept people on their toes. His quick wit and fun banter put smiles on the faces of many. I enjoyed working with Paul through his generous time spent serving his community on the Beebe Board of Directors. Thank you Paul; you will be fondly remembered.

This is Jacquie DiMisa. Pat and I met about 35 years ago when we both worked at Ward & Klein. My husband, John, and Paul are the same age, and once the 4 of us got together, we all became fast friends. We added in the Glaudemans and the Heckels, took the initials from our last names, and the 4 couples became know as the DIGHMs. We even have a DIGHM logo and golf trophy. Over the years, we have shared countless wonderful times together, and we cherish those memories. Paul was always a generous host (Pat too) and a lot of fun to be with. We will miss him dearly and feel lucky that we shared some of our life's journey with him. Love you, Paul. Rest in peace.

My Mom, Mary Ewing, ((Holly's Restaurant, Grasonville, MD) had some financial dealing with Paul. Once they found out they knew one another, the meeting was all about teenage memories from his life on Kent Island. I'm not sure who enjoyed the day more, Mom or Paul!! Condolences to the family.

Lovely Celebration of Life Service for Paul. I am very grateful that Paul became a member of our family over 36 years ago. One personal story that I would like to share about Paul is that 16+ years ago when I asked my niece Allison to tell me about Karl, whom I had not yet met, she explained that "Karl treats me like Paul treats my Mother". We were truly blessed to have Paul in our family. Enjoy eternity, my friend and brother-in-law. Love, Nancy Jane

Growing up with Paul will always be a wonderful memory for me. I'm only sorry that we lived so far apart in the more recent years. He was such a wonderful person- smart, accomplished, always fun, and very caring! He will be greatly missed by all of us!
