Hugh Augustus Mallon, III, age 76, of Lewes, DE, passed away on Tuesday, April 25, 2023, at Brandywine Senior Living under the care of hospice, after a lengthy battle with Alzheimer's and congestive heart failure. Born on October 25, 1946, in Arlington, MA, he was the son of Hugh A. Mallon, Jr. and Geraldine (McCarthy) Mallon.

He was a graduate of Towson High School in Towson, MD, and the University of Maryland, in College Park, MD. A proud veteran, Hugh served his country for five years in the United States Army. On December 16, 1972, in Baltimore, MD, he married the love of his life, Deborah Lentz Mallon, and together, they would spend the next fifty years creating a beautiful life and family.

Hugh began his career as an insurance agent at Connecticut Mutual, then became a General Agent in the Baltimore office at New England Life which led him to start his own business, Executive Compensations Concepts. At ECC, he was a Financial and Compensation Consultant which served independent schools, associations, and non-profit organizations. It was a career that was both challenging and fulfilling, and he forged many friendships through the years.

Hugh was an avid hockey player while growing up in Massachusetts and was taught how to play lacrosse in high school by his future brother-in-law, Skip Flanagan. Hugh was a member of the 1967 University of Maryland men's lacrosse national championship team and was named All-American in lacrosse in 1968 and a member of the M Club, which was for varsity sports letter winners. Hugh played in the collegiate lacrosse North/South All-Star Game in 1969. After graduating from the University of Maryland, he played for the Mt. Washington Wolfpack Lacrosse team. During his time playing for Mt. Washington, the team was the winningest lacrosse team in club history.

He helped organize the U.S. Lacrosse World Games and was the co-founder of the National Junior Lacrosse Association Festival. Hugh was the Chairman and voice of the Pinball (Lacrosse) Classic. Hugh was also a youth lacrosse coach in Cockeysville, MD and assisted at Avon Old Farms

Hugh was a big brother and spirited workout partner to many athletes at Hopkins University early in his working career. He was incredibly fit, tough, but always a friendly smile with words of encouragement. He left a mark on many...and probably a few bruises on his opponents :-)

Dear Mallon Family, I was fortunate to have been able to work with Hugh in providing Sports Medicine care for NJLA with US. Lacrosse. Our planning meetings were tough & tumble with plenty of stories, tall tales, & laughs. Hugh cared very much about advancing the game. I hold our memories close. Thanks Hugh for giving back! Dear Debbie and Family! I exactly remember the first time I saw Hugh. Margie and I had just joined the pool club and on our first visit, there he was, in the kiddie pool wallowing around on his back, splashing water, playing with the youngsters, Tall, handsome and loves children. What could be better? The Good Lord has called Hugh Home. Godspeed. His memories are left to go down the generations. My mother used to say "keep loved ones in your heart and memory and they live on." My father used to say "If you spend all your time drinking beer and chasing women, you'll never get to be President." They were both right. Condolences And a smile for fond memories David Hammond

Debbie, Even though I didn't get the pleasure of knowing your husband....he sounded like an amazing man, father, husband and giving back to the community. May your beautiful memories stay close to your heart and carry you through this difficult time. Love, Pat (J.Crew)
