# Leona Spencer

APR 7, 1946 - APR 29, 2023

**L**eona "Lee" Spencer, age 77, of Bridgeville, DE, passed away at home on Saturday, April 29, 2023. She was born in Jersey City, NJ, on Sunday, April 7, 1946, daughter of the late Stanley and Harriet (Czarnecki) Mazeski.

Mrs. Spencer graduated from high school in 1964. She married the love of her life, James Spencer on September 3rd, 1967, and the two of them would create a beautiful life together. Mrs. Spencer was a proud homemaker, and she created a warm, loving, and nurturing home. She found the greatest enjoyment in the simple things of life. One of Mrs. Spencer's favorite pastimes was reading and could often be found curled up with a good book. Her devotion to her family, however, took precedence above all. Mrs. Spencer was a loving and nurturing wife, daughter, sister, and friend. Loved by many, she will be deeply missed by all who had the good fortune to know her.

In addition to her parents, Mrs. Spencer was predeceased by her sisters, Catherine Mazeski, and Christine Mazeski. She is survived by her husband of 55 years, James Spencer of Bridgeville, DE.

Please sign the virtual guestbook located on the tribute page.

When we first moved to Heritage Shores I was bit nervous about establishing new friendships. The first people we meet were Jim and Lee Spencer, our next door neighbors. There was an instant friendship! Every time Lee and I were together we would laugh! All we had to do was look at each other...and we would laugh! Lee brought so much joy ! Loved all the outrageous stories she share with me! She definitely was a gift for me!❤️ I will miss her tremendously.

Ironically, Lee's love of reading was the catalyst that introduced us to a 50 yearlong friendship. While working in Kearfott Lee and I became great friends when we shared stories of the books we read. In her addition to her love for reading, she loved cooking as well, and had a true gift of hospitality. There were many a times I would be the beneficiary of that hospitality and one of her delicious meals. Lee loved to laugh and laugh we did, with tears running down our cheeks in uncontrollable laughter. She was a treasured friend and I will miss her deeply.

We have had the privilege and honor of knowing Lee for the past five years. She was the best friend and neighbor anyone who could wish to know. We discovered early on that we were born in the same town and shared many stories and childhood memories during our regular porch visits together. She was honest, up front and our most trusted friend. May she dance with the angels and rest in peace.

My Dear Dear Lee. ♥ I am blessed to have called you friend and neighbor. I am saddened it was such a short 3 years, but there was never a shortage of laughter and wine. You always had a smile, and I will always smile when I think of you, my little pole dancer in the heavens. ♥♥♥🍷

I know Lee enjoyed mystery books. And Lee and I shared the same birthday day and month. So on April 7 Lee will always be remembered.
