Mr. Lux grew up in Upper Darby, PA, a place he returned to often and kept close to his lifelong friendships. He graduated Upper Darby High School, class of 1960. Mr. Lux married Janet Lux, and the two would spend many beautiful years together with happy memories in West Chester, PA their home for the majority of their lives and raising their sons, Bill and David.

Bill was the best big brother you could ever ask for. He was always kind and loving to me, except when I was a pest. I looked up to him and because he played high school soccer, I wanted to play soccer too. He taught me how to kick, practice and play. Bill inspired me to play hard, and if it wasn't for him I would never have made the All-American team in college. Bill was very good with cars and taught me everything I needed to know about taking care of my own car. He even helped me get my first car. My brother Bill watched out for me, especially after our Dad passed away. I am going to miss him and his wise counsel very much. I have so many fond memories of Bill. Love you, the very best brother. I remember the Christmas trees we guys {Charlie, Glynn and I} would drop off on Bill and Janet's front door of their first house. Bill never asked where they came from. He didn't want to know. Cars were also an important part of our senior year at Upper Darby High. Bill was a good friend who will be missed.

Bill was one of the "Five Mustketeers", Glen, Bill, Rich, Walt, and me. We had so many great times together, they are too many to list. Kathie and I were fortunate to have a friend who had a condo in Lewes, DE where we often stayed. It gave us the opportunity to spend more time together with Bill and Janet that most of the "Five Musketeers". Looking back on this, it was a blessing that we had this opportunity to spend more time with Bill and Janet. Bill will be sadly missed by so many. He was a great, caring guy. I pray that he has hooked up with Glen up there. Charlie and Kathie Myhre
