I was a classmate of Greg at DePaul High School for our junior and senior years. We had so many fun times in our classes, always laughing and joking around. We also played football on occasion at Totowa Oval. We also double dated with him and Maureen several times when we were in HS. and visited him down in Delaware. I will miss my friend. Rest in Peace my friend, and may God keep you in the palm of His hand . My deepest sympathy for Maureen and her family. Joseph Zisa

I have known Greg for over 45 years What stands out to me is Greg's generosity and his warmth. I was fortunate to rent a basement apartment from Greg and Reen when I first graduated collage. Greg always looked out for me while I was there. What I remember most was there was always laughter coming from upstairs. Mark Amy and Paul always running around but that was the way Greg seemed to like it. Especially on Christmas the smile on his face as the kids tour thru the presents was ear to ear. And as the years went by he never changed always interested always telling me to stop by if I was in the area. He was a kind, caring, generous person who I was fortunate to call friend. REST IN PEACE GREG !!Love Bruce
