Sandra S. Snowberger

MAY 24, 1953 - JUL 27, 2023

Sandi S. Snowberger, age 70 of Lewes, DE, passed away on Thursday, July 27, 2023, at Delaware Hospice Center in Milford. She was born on May 24, 1953, in Wilmington, DE, daughter of the late Marguerite and Vernon Hastings.

Sandi spent her career as a letter carrier and retired from the United States Postal Service after many dedicated years. She enjoyed sports and spent years lending her talents to many softball, basketball, field hockey, billiard, and bowling teams. Sandi took advantage of coastal living and all it had to offer. One could often find her boating, fishing, or swimming, as she loved doing anything on the water. Sandi liked relaxing in her pool and driving her golf cart around Lewes, or any of the many campsites she frequented, and she was always up for a good party. Above all, Sandi cherished times spent with those she held most dear. She was a loving and devoted wife, sister, aunt, fur mom, and friend. Loved by many, she will be genuinely missed by all who had the good fortune to know her.

Sandi is survived by her beloved wife, Tootie Springer of Lewes, DE; her brothers: Steve Snowberger (Karen) of Augusta, GA and Vernon Hastings (Jackie) of Ocala, FL; her sister, Dawn Windett of Dover, DE; her many nieces and nephews; and her adored pets: Spicey, Roman, and Abby.

A celebration of Sandi's life will be held Thursday, August 17, 2023, from 1:00 PM until 5:00 PM, at Irish Eyes, 213 Anglers Road, Lewes, DE. Please come prepared to share your favorite Sandi memory, and don't forget your dancing shoes!

In lieu of flowers, the family requests contributions to any animal shelter or Veterans Center of choice.

Please sign the virtual guestbook located on the tribute page.

Heartfelt condolences to Family and all the hearts Snow touched in life's journey. Sandy had a love and passion in everything she did. I consider Sandy one of my best friends even though we have not seen each other for many years. We met playing softball for the Pottstown Cardinellas. She then was attending West Chester College. Fun was had in whatever we did....vacations, going out to clubs, pool parties at Dianne Reed's, driving to Florida, or just hanging out. The love Sandy had for life and her family is something that can never be taken away. Hold on to the memories of her and find comfort in them as she enriched all our lives and we will always have a special place in our hearts. Love ❤️ you Snow. So sorry I missed the celebration of life, I just found this out today. I have been living in Lewes for over 5 years. I did not know Sandy lived here.

Sandi and I were close friends during our formative early high school years. She was sensitive, smart, athletic, and fun loving. We supported each other through the ups and downs of those coming-of-age years. Life sent us in different directions, but I never forgot our wonderful friendship. My condolences to her wife and extended family . ❤️
