# Beverly Feidel

NOV 1, 1947 - JUL 29, 2023

**B**everly Feidel, age 75 of Milton, DE passed away on Saturday, July 29, 2023, at Bayhealth Center in Milford, DE. She was born on November 1, 1947, in Philadelphia, PA, daughter of the late Charles and Eleanor (Leibowitz) Caplan.

Known to her friends and family as "Boovy," Beverly married Jan Feidel on November 7, 1971. She was a beloved teacher at Pastorius Elementary School in the Germantown section of Philadelphia throughout her teaching career where she was known for her high spirits, great humor, and the love she showed the children she taught. An activist on behalf of animals, Boovy was awarded a statewide commendation as Pennsylvania humane educator of the year; she was beloved by all who had the good fortune to be her friend. She loved opera and frequented the Met, paying special attention to Puccini. Her wit and quickness of mind were priceless. She brought great joy to people.

Beverly is survived by her husband Jan, grateful for the 52 years they spent together; her daughter Carolyn Rachel Feidel (Alex Mueller) of Brooklyn, NY; and her granddaughter, Juno Eloise Mueller of Brooklyn, NY, the bright light of her later years upon whom she bestowed everything in her power.

In lieu of flowers, donations may be made in Beverly's memory to the United States Holocaust Memorial Museum in Washington DC; Seaside Jewish Community in Rehoboth Beach, DE; your local SPCA (such as the one at 22918 Dupont Blvd, Georgetown, DE 19947) or the Metropolitan Opera in NYC, according to your own interests and feelings.

Please sign the virtual guestbook located on the tribute page.

Wow, I woke up this morning and, for some reason, Ms. Feidel and Ms. Charmers popped into my head. Ms. Feidel was my fourth-grade teacher, and she played no games. Man, could she yell and get you in check! A little sad I didn't search for her earlier. RIP, Ms. Feidel, from the troublemaker Malik Hairston.

Mrs. Feidel was my fourth grade teacher at Pastorius Elementary, I remember I swiped a mug from my mom's collection and gave it to Mrs. Feidel as a gift Lol...I still remember her voice, she sounded like Dorothy from The Golden Girls (I mean that in the BEST possible way) Thank You Mrs. Feidel, for being one of the good ones!

Bev and I were good friends. Her mother and I likewise. I was in the same high school class as Jan who is a terrific person and husband. It's so painful for me to have read that she has died. I know she was suffering from health issues. I remember so many of our wonderful conversations. I had lived in Germany and always looked her up whenever I visited the States. I can't believe she's gone. I last spoke to her just before her passing. Her passing has robbed me of many conversations I would have liked to have had. All I can say is that she was one of a kind and she was kind.

I am so saddened to read about Boovy. She always made me laugh and wanted me to come jump in her pool in the summer. We would even call each other and talk on the phone for a while. She always had my back if she thought I needed her, and I had hers, too. I miss her already. She loved Jan so much, and her daughter, and Juno, and her canine kids. Rest peacefully Boovy.

We were shocked to read in the local paper of Bev's passing as we had no idea she was sick. It must be a great loss to Jan and the family. She was so outgoing and so much fun to be around. She will be missed by all who ever had any contact with her. May her memory be a Blessing to you , Jan and the family.Cindi and Stanley

I'm so sorry for the loss of my dear cousin Boovy. I loved talking with her...our great conversations about family. She shared many memories and stories and we always laughed a lot. She had the greatest wit and humor. She loved my Mom...and Dad, her Uncle. And I know she loved Jan, and family... and dogs. I'm so sad we didn't see each other much but glad we connected by phone... I'm really going to miss her.. Love you Boovy!
