## **Carol Ann Dorobis**

MAY 22, 1952 - AUG 18, 2023

**C**arol Ann Dorobis, age 71 of Lewes, DE, passed away on Friday, August 18, 2023, at her home. She was born on May 22, 1952, in Jersey City, New Jersey, daughter of the late Henry and Lillian Dorobis.

Carol graduated from Sacred Heart Academy High School in New Jersey. She built a career with Fed Ex, retiring as a manager at the Newark Airport, EWRR, and the earning of her BS in 2010 was something of which she was very proud. Carol had many interests and hobbies, including pickleball. An avid traveler, she enjoyed visiting new destinations in her RV and on her Harley Davidson. Spending time with her family and friends was always cherished, but none so much as curling up with her beloved pets. She was loved by many and will be genuinely missed by all who had the good fortune to know her.

In addition to her parents, Carol was preceded in death by her sister, Jacqueline. She is survived by her partner, Danna; her siblings: Joe (Peggie); Joanne (Tom); and Susan; and her many nieces, nephews, great-niece, and great-nephews.

A celebration of life will be held at a later date.

In lieu of flowers, please consider a donation to your local animal shelter in Carol's memory.

Please sign the virtual guestbook located on the tribute page.

Carol and I met at the Academy of the Sacred in Hoboken NJ. We graduated in 1970. We stayed in touch casually. When she moved to Delaware I went to visit her. Most of our communication was through the internet. She will be missed.

I met Carol when I moved to Senators. We met while walking our dogs. After speaking to Carol I found out she was a devoted dog owner, she was a Jersey girl, and loved to travel. Carol was a wonderful person, I loved talking to her! God just got another Angel to watch over us all! Rest In Peace dear friend.. 🍷

Worked with Carol in NJ. She was great to work with. We both move to Delaware without knowing the other was moving and only 8 miles apart. We had some great times in retirement and I'm gonna miss our lunches and parties together. I have heard nothing but how great she was and there is no question she was great.

I met Carol last summer on the pickleball court at Cape Henlopen High School. I was new to playing with our neighborhood pickleball group & Carol immediately greeted me with a friendly hello. She was always ready with a smile and a witty remark that kept us all in good spirits. Her example on & off the court reminds me to always approach life with enthusiasm, determination, and a zest for fun. Rest in peace, Carol. May your serves always find their mark. Sending my deepest condolences to Carol's family during this difficult time.(((HUGS))) Lisa Ross
