Julie Butrie lit a candle in honor of Lynnsue.

Lynn has been my best friend since middle school. I've been friends with Danny from the first moment they met. They've been a love story forever. Lynn and I had so much fun together and have been together through thick and thin. My heart is so broken over losing my sweet best friend. I will miss this precious girl forever. Love to you Danny, Shauna and Danielle.

I am so very sorry for your loss, Dan and family. Prayers for peace and comfort during this difficult time. Lynn and I shared some great conversations when we worked the check in desk together at Grace. I know she loved you all very much!!

I worked with Lynn at Nanticoke in the OR and she often talked about her family. So glad to see she got her RN, I know she had to be proud of that. Sorry for your loss of a good wife and Mother. prayers
