Debbie and I so enjoyed our workouts with the NG workout ladies. Justine, our trainer, nicknamed Debbie "Princess" because she was so sweet and gentle. I loved her precious laughter and her partnering with me on the first NG Welcoming Committee. I have been blessed by her friendship. May she rest with our Lord. May her family have the comfort and Peace of our Lord.

AI and Family:Another light has dimmed but another angel has taken her place in heaven. My heartfelt sympathy and prayers go out to you and your family. May fond memories bring warmth to your hearts in remembering her smile and help you find peace. After the tears have dried and the goodbyes have been said, hold onto the happy memories you shared. These memories are what keep them alive in your heart and in your mind, and she will continue to live on, through you. Losing someone you love is never easy but knowing that you have been able to be a part of the life of that person, you realize that you are blessed to have been able to share in their life.
