Randall Tab Malick

MAY 12, 1960 - OCT 29, 2023

Randall Tab Malick, age 63, of Center Valley, PA passed away on 10/29 in Lewes, DE. He was born 5/12/1960 in Pottsville, PA, son of the late Dr. Donald Malick and Dorothy Kuntz Malick.

Randall grew up in Hegins, PA and attended Tri-Valley High School. He graduated from Elizabethtown College where he swam on the college team and was an exceptional member of the concert choir. Randall raised his family in the Lehigh Valley. He always made time to be a part of his family and friends lives and supported their dreams.

In 2021, he moved to Rehoboth Beach where his family had vacationed his entire life. Randall was an impeccable designer and visionary, from floral arrangements, hair, interior spaces to fashion and textiles. His exceptional skills shined brightest during the holiday season, just like him. However, his most endearing qualities were that of being generous and loving to those he held near to his heart.

Randall is survived by his wife, Constance; his children: Gabrielle and her fiancé Matthew, and Hunter and his wife Melissa; and his grandson Carter; his siblings, Yvonne and her husband Dr J .Scott Deiter and Ronald and his wife Sydnie; and many nieces and nephews who lovingly referred to him as "uncle".

Services will be announced by family at a later date.

This is the only family sanctioned obituary that will be published,

In lieu of flowers, the family suggests donations to Friedens UCC 520 E .Chestnut St., Hegins PA 17938, in honor of Malick Family Scholarship Memorial Fund.

Randall and I were close friends for nearly all of our lives. We attended Friedens UCC together where we sang in a children's and adult choir, rang handbells together and served together in children's ministry summers during VBS. In school we were involved in music, theater and other activities in addition to lifeguarding. When Randall and Connie married, my husband and I formed a very close bond with them which included vacationing together and attending many events through the years. We cried together during life's disappointments and "laughed till we cried" even more frequently! Some of my fondest memories were the many times Randall "saved the day" for me... from support during school years, to help with "wardrobe catastrophes" prior to my attending Miss America, to giving up DAYS of his time to help with our children's weddings. Randall was so very talented and gifted artistically and always honest and caring with advice on hair, clothing and decorating. I think of him almost daily and wish I had one more chance to talk with him, ask him questions and pray with him. We're both missing the Randall we knew and loved for so many years. I met Randall in his professional capacity and he was wonderful to work with, and very knowledgeable about design and color. While I was nothing more than a professional contact, I remember him well and when I read news of his passing I was very sad.
