Ms. Bau was my Latin teacher for all four years of high school. I'm sure most of her students would say she was strict — but to me, it was always in the best way possible. She pushed us to do better, to think, and to truly appreciate Latin. Out of all my teachers, she was by far the best and remains my most favorite. Her lessons stayed with me long after graduation, and I'm forever grateful. I think of her often and wish I had looked her up sooner. May she rest in peace. Puella, ad tabulam!

My life became enriched by knowing Marion, Roman, Ginny, Walt, Kathi & Dianne. They were frequent patrons of my restaurant and I became life long friends of theirs. Sadly, we lost all but Kathi and I. By the grace of God go I. Chris becker
