Trish, John, Will and family, I am so saddened to learn of Stephenie's passing. It has been a long ,long time since we were friends when our girls were little. There were many visits and play dates with all 3 of the kids. Many cherished memories even though life has changed and moved forward for all of us. Sending prayers for strength in the days ahead and beautiful memories to carry you forward. Thinking of all of you. Terry (Brandner) Warrington

Patricia, John, Susanna, family and friends of Stephanie: Please accept my sincere prayers and condolences on the loss of your beloved Stephanie. Stephanie sounds like a wonderful young lady with much given and more to give in this life; hers was a life well lived that made a deep, lifelong impact on the people she loved. She will never be forgotten. Her memory will live on within every single person she touched in life. Anymore, I feel especially saddened when I see a young and vibrant soul, taken far too soon. I was a crewmember at USCG Station Indian River Inlet, working alongside and with John and Sue from 1984 to 1988. Working within that crewmember dynamic, it had a family-feel to it. It was a good feeling. But I knew that the mothers (that is where you come in, Patricia) and fathers and especially, the children behind the scenes, were just as important (if not more important!) for that family/crew within the Indian River Inlet station. In fact, the family away from that station, was the glue that held the station together. A good many years have passed since those days; but seeing this sad news brings it all back like it were only yesterday. Your sorrow, your loss is deeply felt here. May your days be comforted knowing that Stephanie is safe and comforted alongside the protective arms of God. May God and the Good Lord Jesus, love and bless you all. Sincerely, Michael J Notigan Bordentown, NJ
