Earl David Warrington "Jake"

SEP 29, 1939 - DEC 21, 2023

Earl David Warrington "Jake", age 84 of Rehoboth Beach, DE passed away Thursday, December 21, 2023, at his residence in Rehoboth Beach, DE, property originally owned and inhabited by his grandparents 100 years ago. Earl was born September 29, 1939, in Rehoboth Beach, DE, son of the late Francis C. Warrington and Sarah Hazzard Warrington.

Jake, as everyone called him, was a lifelong Sussex County resident, a 1957 graduate of the Lewes High School and had worked as a farmer his entire life. However, he also had many additional interests which included co-developing and co-owning and operating with his brother Dutch the Rehoboth Bay Mobile Home Park; he later was co-owner and operator of Midway Fuel Company.

He enjoyed woodworking and carpentry, trap-shooting, building and racing stock cars and traveling to historic and natural beauty areas in his motor home. From childhood he had an inquiring mind; he derived great satisfaction from learning to disassemble and fix things. He displayed remarkable patience and adaptability while figuring out how things worked and how they might be repaired or even improved.

He was a dedicated member of the Rehoboth Presbyterian Church of Midway where he spent countless hours keeping the church in working order. He was active for many years in the various projects of the Henlopen Ruritan organization.

Jake was preceded in death by his wife, Marlyn Elizabeth Warrington in 2017, his brother Francis (Dutch) Warrington, his sister-in-law Gladys Warrington, his sister Laura Joyce Hoge and his step-grandson Chad C. Long.

He is survived by his stepdaughter Susan (Chris) Long of Lewes; his step-granddaughter Stephanie (Trip) Wyatt; step great-grandson Donovan Wyatt; his sister Elsie W. Gould of Lewes, DE; his nieces, Louise (John) Short, Lynn Goff, and Virginia Bishop; nephews Butch (Theresa) Warrington, Sonny (Angie) Warrington, Richard Hoge and Andrew Hoge.

Andrew Hoge posted:

It is with deep sorrow that we learned of the passing of our beloved uncle, Earl (Jake). He was born on a momentous day in world history, September 29, 1939, and his journey in life enriched so many. As children, my brother Rick and I eagerly anticipated our annual summer trips from Ottawa, Ontario, Canada, to Delaware, USA. These were more than family visits; they were adventures into a world of wonder and excitement. Our mother, Joyce (Laura) Hoge (nee Warrington), Jake's younger sister, and our father, Robert Hoge, had relocated to Ottawa for his work, but our early memories were deeply enriched by our time in Delaware with Uncle Jake, Aunt Elsie, and our cousins. Delaware offered us a tapestry of awe-inspiring life experiences - from the vibrancy of farm life to the beach, sea and the boardwalk. Our first encounters with jellyfish and the thrill of being around the race cars carefully maintained by Jake and our cousins are memories that have left a lasting impact on us. The pinnacle of these visits was always our time spent with Earl, enriching each moment with his presence. In November 2023, a visit to Delaware allowed me to personally relive these cherished memories, albeit too briefly. Hearing Uncle Jake's calm, soft voice again brought back the profound influence he had on our lives. The traits and values he embodied are mirrored in both my brother and me to this day. Jake was a man of integrity and kindness. His passing leaves a great void, but his legacy lives on through the lives he touched and the love he shared. We will forever hold his memory dear, continuing to carry forward the lessons he imparted through his long and exemplary life.

So sad to hear of his passing. Many years ago (70's or early 80's I think) he let me drive his stockcar at Little Lincoln in a Powder Puff race. Luckily I didn't wreck his car and was able to get a 2nd place finish. Years later, I saw him several times at DIS, where I was taking pictures. Great memories of a great man. Blondie
