I am so sorry to hear of Jim's passing, we worked together for many years at the Indian River Marina. He will be missed.

I just learned of Jim's passing, I am so sorry for your loss Monica. Jim was the model "old school," fun and hard working guy. Jim was my "boat guy" and friend for almost 20 years. Jim bailed me and my boat out on numerous occasions, one on a late Sunday evening when it was taking on water in its slip. Jim never missed an opportunity to give me a hard time with a chuckle.

Jim and Monica have been wonderful friends to me for many years. Jim always came to the rescue if I had a problem with my car, was a great listener, and had a wicked sense of humor. Many memories of times with Jim and Monica, hanging in the garage, Knoebels, Bingo, beach days, to name a few...My heart breaks for you Monica. I know Jim was one in a million, and the two of you loved each other deeply. We will never forget him.

Jim used to doctor our boat. A more kind-hearted, generous man would be hard to find. Soft/spoken, smart, helpful, and empathetic, Jim wasn't just our mechanic; he was our friend. We can't believe he's gone. He loved his animals and his wife. May he rest in peace.

I remember when I first met Jim, through a mutual friend, Capt. Speed. Jim was funny and kind. Many fond memories from hanging out, our Punkin Chunkin days and boat rides. He seemed to know everyone around and everyone was always pleased to see him. A kind soul that would help anyone out in a jam. Many prayers to all the family. He will be missed by many....now he joins his friend Capt. Speed in heaven.Rosie Campbell

I confess to ruing the day I bought a motorboat, then celebrating when I sold it. This is, but for one exception: with every spring and onset of winter, I had occasion to visit Jim Phillips for servicing. Our family has been summer residents in Lewes for years, and Jim treated me as a year-round neighbor from Day 1. He was a magician when it came to engine mechanics, and was always fair in his business dealings. At the same time, you couldn't find a kinder human being. Like others writing on this page, Jim became just as much a friend as a highly skilled mechanic. He had a quiet demeanor, but quick to smile. He was comfortable inside his skin, and made others feel comfortable. He took special pride in sponsoring the Pumpkin Chuckin behind the shop, and was exceptionally generous with many charities. He fought his cancer bravely and privately. I never heard a complaint about the impact on his business or the many constraints put on him and his family. My sympathy to Monica, his family, and to all of us who will miss him. Lewes will be a lesser place without Jim. Yet without a doubt his good-nurtured spirit and contributions in the Lewes community will serve as a model to all of us.Matt Lawlor

Jim was my campsite neighbor at Knoebels for many years. Although we only saw Jim and Monica once a year, we always looked forward to his friendship and stories. South Carolina 8 will never be the same. We already miss him.
