Barbara Beatriz Hahn

APR 30, 1960 - FEB 6, 2024

Barbára Beatriz “Lauren” Hahn, age 63, of Rehoboth Beach, Delaware suddenly passed, with family by her side, on Tuesday, February 6, 2024. Her loss is completely unexpected, and her family and friends are profoundly saddened.

Barbára was born on April 30, 1960, at Camp Lejeune Marine Corps base in Jacksonville, North Carolina. She is survived by her mother Beatriz, her sister Marta, her brother Eddie, and his wife Veronica, of Brooklyn, and their children Cruz and Vega; her sister Malti and her husband Keith, of Virginia, and their son Miles; and many loving friends and extended family members. Barbára’s father Robert Hahn passed away in 1997.

Known as Barbára to her family, and Lauren to her friends, she grew up with the pride and loyalty of a military brat. It’s more than likely where she understood the importance of serving others. As a teen, Lauren moved with her family to the Republic of Panama where she found a part time job as a candy striper. This experience of helping people in need would have a profound effect on her that would last a lifetime. When she and her family returned home to the US, she quickly earned her nursing license. Her primary focus was senior care in various hospitals and senior living centers in the DMV area. She eventually fell in love with the Rehoboth Beach / Lewes area and moved there permanently in the early 90s.

Lauren’s compassionate nature extended beyond nursing to many furry four-legged souls over the years. She loved all forms of animals, from the exotic ones found in Panama, to the native sea life of the Delmarva coast. But what truly brought her joy was dogs. She owned quite a few during her life and treated them with unconditional love. Lauren enjoyed her beach walking adventures on the sands of Rehoboth with her beloved canines and often invited the dogs of her friends and neighbors. Dogs taken in by Dog Humane Partners and the Delaware Humane Association also benefitted from Lauren’s kind heart. She dedicated time to finding appropriate homes for many abandoned or abused pups. During the Covid pandemic shelter in place, Lauren brought joy to residents of her community by initiating a now annual Halloween Dog Parade that put smiles on the faces of many neighbors and pets.

Lauren was a fun spirited soul and relished the myriad summer activities Rehoboth offers with her nephews and niece, Miles, Cruz, and Vega. She wasn't an Aunt who would observe the fun, she loved joining in on the good times and tasty boardwalk treats. She loved riding the go karts at Midway, firing off the water cannons at White Water Mountain, sharing a white pizza with her mother from Grottos, watching the surf fisherman with her dachshunds Heidi & Gretchen. We will all cherish the memories of Summer in Rehoboth with Aunt Barbara.

I am a neighbor of Lauren and just wanted to send thoughts and prayers to her family. I knew her only to wave and say hello to but she always was friendly and really cared for many dogs that she walked around the neighborhood. Lisa
