Michael G Mixon

JAN 25, 1956 - FEB 29, 2024

Michael G. Mixon , age 68 of Milton, DE passed away on February 29, 2024 at Bayhealth, Milford De. He was born on January 25, 1956, son of late Edgar Lee Arthur and Phyllis (Wright) Mixon.

Mike's passion for music began at a young age, starting to play the keyboard at the age of 5 in 1961. His professional journey commenced around the age of 14 when he played the organ at skating rinks, eventually transitioning into a career at the Wurlitzer/Steinway factory owned stores, selling organs and pianos. Mike's dedication to his craft and commitment to customer satisfaction led him to establish his own store in Lewiston, Maine, then moved the entire operation to Bear, Delaware.

Through hard work and perseverance, Mike expanded his business to include Michael G's Music & Electronics in 1984, which became a very successful venture. In 1998, he opened a second location and ventured into the online realm with Keyboardamerica.com, showcasing his forward-thinking vision for the future of the industry. Mike's goal was to sell only a trouble-free product with the expectation to last a lifetime and to give his clients years of musical enjoyment.

Mike's extensive experience in the piano and organ industry spanned over five decades, during which he excelled as a performing artist. His contributions to the music community were recognized through various performances, including appearances with notable figures like Jack Jones and Phyllis Diller.

One of Mike's most memorable performances was for Princess Catherine Caradja of Romania during a P.O.W. reunion in the United States. His musical talents also graced Major League Baseball events worldwide, including engagements in London, Germany, Holland, and with the Wilmington Blue Rocks in Delaware. However, at heart he was an Avid Red Sox Fan.

Mike is survived by his wife of over 20 years Kathleen R. Mixon; two brothers, Thomas L. Mixon, Raymond D. Mixon (Carole); several nieces and nephews.

Although we never met I consider him a very close friend. I purchased my Yamaha keyboard from Mike ten years ago. I learned more by watching his videos. Mike was an unending source of information. My deepest sympathy to Kathy and family.
