Brad and Debbie, I just saw that your mother has passed. I was with your mother for about a year as her companion and helper at The Moorings. I visited her a few months ago because I could not get her on the phone. I was going to visit her tomorrow as I have a doctor appointment behind The Moorings. I loved her dearly! She was my good friend, at times my mother and other times my psychologist. We took many rides to the beach. Every Tuesday was our senior day shopping at the Acme. My deepest sympathy to you both.
