Bob was my neighbor at one time and often he and Margaret and I would take time to catch up on all things local. My son would come by and if Bob was outdoors, they'd strike up a conversation. I know Bob is in a better place and we'll miss him very much.

Margaret, Dana and family. We are all saddened by the loss of Bob. He was a great friend to my Dad and the times they shared with the rest of the DP&L crew will never be matched. Bob was always welcoming to me and we had some great times together on the golf course and trips to Myrtle. I appreciated all of these men, and am still blessed to think how they all took care of me and included me in their escapades. So many fun times! I pray for peace and strength for you all knowing he will be missed. God bless!
