Judith A. Stevens

SEP 23, 1945 - AUG 17, 2024

In loving memory of Judith Ann Stevens born 9/23/1945 in Rhode Island and died 8/17/2024 in Frankford, Delaware.

Judi is survived by her husband Ronald L. Stevens and her children, Darbie A. McMaster and her husband Steve McMaster, Tracey L. Stevens, and David W. Stevens. She was a wonderful grandmother to her grandchildren Michael McMaster, Meadow McMaster, Alexandra Bass, and Nicholas Bass.

Judi, as she was called by her friends, was a huge Washington Redskin fan. In her younger years she enjoyed roller derby. She was also the unofficial foster parent to many including Kennell Baine and Tony Snyder. There were many others throughout her years.

Judi spent her free time canning vegetables from her garden and crocheting. She loved to relax with her puppies while reading a nice book. Judi lived in many places throughout her life. She lived in Beirut Lebanon, Virginia, Pennsylvania, and Delaware.

Judi will be missed by all who we fortunate enough to know and love her.

Please sign the virtual guestbook located on the tribute page.

I didn't know Judi well but I know she loved her daughter Tracy and will be missed. I met her many years ago and I have fond memories. I remember her being funny and she reminded me of my mom. It was hard not to like her. May God bless her on her journey.
