I met Linda in March 2023 while my family and I were on vacation at Silver Sands in Grand Cayman. She was the sweetest woman. Ever since our vacation, I always looked forward to her sunset Facebook posts. She truly loved the island and wanted others to have the chance to appreciate its beauty too. May she rest in peace.

Aunt Linda. A woman with an amazing zest for life. Her adventurous spirit and sly sense of humor have been an inspiration to many. I'm sure those are just two qualities that my parents imagined would influence me when they asked her to be my Godmother. Her enviable smile and joyful laugh whenever she got a good one over on somebody just illuminated the room. Love of travel is something we both share. While I never made it to Scotland, my parents always cherished their time touring the countryside with her on many trips and there are 100's of photos documenting those experiences. I tended to be more tropical in my travels and Cayman always topped my list. I can remember one trip in particular right after she had shipped her car from Delaware to Grand Cayman. She asked me to pick it up from customs and I remember smiling and laughing all the way to Silver Sands driving that car with Delaware license plates on a Caribbean island. Well I know she's smiling and laughing and seeing perfect sunsets with a green flash every day now. To the Waple and Whitton families, you are in my thoughts and prayers.

Linda was my longtime friend and neighbor. We shared many good times together and we loved to play shuffleboard on Thursday nights. She was kind and thoughtful, and I will miss her very much. Until we meet again, may God keep her in his loving hands.

Linda would periodically stop for a visit on her way to her favorite refuge. She always took interest in everyone providing good thoughts and suggestions to share. It will take a great deal of time to move about this planet comfortably without her. I do know we will get to see her again. She now sits with her loved ones, watching a sunset with China blue skies and a glass of wine, thinking about us all.

I thank God that I got to meet up with Linda for lunch last September on one of her trips to Scotland - it had been over 30 years since we'd seen each other and I am so glad that I got that chance to be in her company again. She was a wonderful person and the very first person I met when I moved to America in 1982 and I'll never forget her warmth, her friendship, the many happy times we had when we lived with her and Chip for a couple months. It's so sad to know that she's gone, but I can take comfort in knowing that she's with Chip again and I will be forever grateful that I had the chance to be with her last year for a wonderful but brief couple of hours and I have photos of the occasion which I will cherish. Love you, Linda.

PS: I also wanted to share: that the last 2 years Linda had lost a lot of weight and added the use of a cane. But, that didn't stop her. She totally amazed me this past summer when Jamie, Angela and the family were on vacation, she'd drive her mower around the block to cut their grass (and they have a lot of grass) before they came home. She was amazing with more energy than most of us at her age and very thoughtful. RIP Linda. Ms. Carolyn Cattafi

Linda was a neighbor and Jamie's Sister who was a special part of the Waple family. Jamie, Angela, Cecelia, Caroline, Rosemary and now Nick are a wonderful, close knit family - and the best next door neighbors anyone could ask for. I wasn't close to Aunt Linda (as most called her), but it was so nice to sit and chat with her at a few open house events that I was invited to, or just greeting her and chatting when meeting in a store or doctor's office. I am so very sorry this unwelcomed loss which was so sudden, but, touching many hearts. Please accept my sympathies and that of my daughter Lynn and son-in-law Walter who live on the other side of me. Linda will surely be missed but, remain only a heartbeat away for those close to her. Love and Blessings, Miss Carolyn
