I can confidently speak for my direct siblings, late brother Kevin, his twin, sister Susan, and myself that Spero was the Knight in Shining armor that came into youngest sister Sandra's life years ago and was her savior...he married her and the two went on to share many years together as happy as can be... they were soul mate's for sure. He gave her all the respect possible, and for that we are forever grateful 🙏 RIP Spero, you were a good man

Spero was like a brother to me. We have so many memories growing up together. There is not a day goes by that I don't think about him. I want to express my sympathies to his family and friends. I will remember Spero as long as I'm alive, and I want to remember him how he was before he got sick. May he rest in peace.
