So sorry for the family. She was a long time neighbor of my great Aunt Madeline & her husband Harry Menifee as well as my grandmother Loan Bush. I also remember her ceramic shop & when we were children & received baby chicks for Easter my grandmother drove them from Pa to Charlotte across the street. A memory that tickles me still. A sweet lady & I miss most of the folks on the street.

I first stayed at the McDaniels' home as a graduate student on weekends in the summer of 1967 and except for 1968, when I was overseas all summer, I continued to stay there until the summer of 1971. That year I got married and about that time Mac McDaniel built two small cottages behind their home and my wife and I stayed there summer weekends until Memorial Day 1976. By that time, we had two babies and the cottage was getting too small, so we bought a cottage of our own and moved in over the July 4 holiday. As the children were growing, we engaged Brenda McDaniel as a baby sitter and once there was no longer a need for that, we made it a point of visit Charlotte at her home once a summer on a courtesy call. We will miss her. Fred Radewagen

Brenda, Lee and family, I'm so sorry to year of your sweet mother's passing. I had forgotten she worked at Montgomery Ward, but definitely remember her at Sears. I could go in wanting something just not sure exactly what, and Mrs. McDaniel would always point me in the right direction! Comforting to know she lead a long life and is now together again with family and friends who left this Earth before her. Sympathy and condolences to the family.
