MAY 12, 1959 - APR 28, 2025

In Loving Memory of Toni Walker

It is with profound sadness that we announce the passing of Toni Walker, 65, of Rehoboth, Delaware, who passed away peacefully on April 28, 2025.

Born on May 12, 1959, in Wilmington, Delaware, Toni was the beloved daughter of the late Charles and Virginia (Wallace). She was a proud and devoted mother, grandmother, great-grandmother, aunt, and friend to many. Her warmth, generosity, and boundless love left an indelible mark on all who knew her.

Toni is survived by her four sons: Todd Kuczynski, Michael Kuczynski, Chadd Kuczynski, and Rickie Lake. She was a loving grandmother to Sierra Lake, Ethan Kuczynski, Jonnie Cunningham, Shawn Lake, Renzo Lake, Rocco Lake, and Mikey Kuczynski, and a proud great-grandmother to Nova Lake. She also leaves behind her cherished siblings, Marsha Wallace and Chuck Wallace, along with many nieces, nephews, and extended family members.

She was preceded in death by her parents, her husband, Rick Lake, and her brother, Bobby Mackinder.

Toni had a deep love for her dogs, Lala and Lexi, and a nurturing spirit that extended far beyond her immediate family. Her home was always open—a place of comfort, laughter, and lifelong memories. Whether offering a helping hand or a place to stay, Toni's kindness was unwavering. She found immense joy in her family, especially in celebrating her grandchildren's lives and watching her son Chadd transform her garden into a place of beauty. Summer was her favorite season, often spent by the pool with family and the joyful chaos of grandkids running through the house.

A memorial gathering will be held on Thursday, May 8, 2025, from 2:00 to 4:00 PM at Parsell Funeral Homes and Crematorium, 16961 Kings Highway, Lewes, DE.

I loss my best friend Toni Walker. We were like sister's, she would do anything for me, and I would do anything for her. We always had each other's back. We laughed, we cried together, we had arguments, but we always hugged, and forgave each other for being so hardheaded. We have made so many memories, memories I will cherish. We always told each other when we were leaving from whatever we were doing, "I love you". Your were the most hardheaded, stubborn person, besides myself, I have ever known. And, your crazy late night texts, I will miss, oh how I wish, you would send me one...My dear friend, I will miss you tremendously. God needed you more, your work here is done, so fly away butterfly, you have peace now...I love you my friend, until we meet again...🕊️🙏❤️
