Mrs Betty was so warm and generous. You were always welcome in her home and a home it was. I was friends with her daughters Nancy and Lee. I remember when I would go to their house it was always so comfortable and cozy I would fall asleep sitting on the couch. Once I remember apologizing to Ms. Betty for falling asleep and I remember her words to this day. "Don't apologize it is a honor to me that you feel that comfortable to do so" she will surely be missed. Prayers for peace and comfort to her family. 🙏 Tammy Maus - Messina

I loved taking care of Betty "Spaghetti." Some of my favorite memories of her were when I painted her nails all different colors, rhyming with her, styling her hair, and her reminding me to put on a sweater every morning because somehow the one I chose wasn't warm enough for her. For breakfast, when she had her cup of coffee, I would always be drinking mine too. I will remember every hug and kiss she gave me. I am so thankful she allowed me to take care of her. Hands down one of my favorite patients ever!
