John Frasier Anderson III

OCT 26, 1936 - MAY 28, 2025

John Frasier Anderson (Jack) died Wednesday, 28th of May 2025 following a battle with cancer that he fought with the courage and fortitude that defined him throughout his life. He was born on October 26, 1936 in Harmarville, PA, son of the late John and Mary (Crighton) Anderson. He was preceded in death by his older brother Arnold, his older sister Eve Mae, and his younger brother Robert (Bobby). He is survived by his beloved wife Lois (Heinle) Anderson and son John.

Jack was known for his calm demeanor and his ability to appreciate the humor and enjoyment of almost any crazy predicament in which he and Lois found themselves. Following their marriage in 1961, Jack finished his degree at Purdue University after which they enjoyed travel and family while John built his clientele as salesman and manager for Krueger International in Washington, DC. In 1972, John and Lois welcomed their son John Jr. into their lives and settled in Ellicott City, MD before moving to Columbia MD, where they resided for 44 years while raising John Jr. with much love and tenderness. In 2004, they relocated to Lewes, DE to join John's sister, Eve. They gradually built a large network of family and friends that kept them busy entertaining and relaxing.

Jack welcomed his extended family into his open heart. He adored his sisters-in-law, brothers-in-law, and his nieces and nephews and their younger families. He also enjoyed the company of many dogs over his life. He and Lois welcomed family and friends to their home where they made sure there was plenty of laughter. He is remembered by many for his boating skills, his careful instructions on how to best bait for crabbing, and his love of oysters. He shared books and music with one and all, enjoyed luxury vehicles and a good game of golf. Jack was also a fabulous storyteller and his ability to remember details and build suspense before getting to the punchline always left listeners wanting to hear more. He loved history and a good book, reading two or three a week. He was a lifelong learner always interested in new ideas, new technology and new adventures.

This is one of my favorite photos of Jack, with Lois, Eva Mae, and my Dad. It holds many happy memories of time spent with them all at the beach. There was always much laughter, especially if Jack was telling the story. He was a good man, a good friend, and he will be missed deeply.

What I loved about Jack was that he was good to me; but, what I loved most about him was that he didn't go out of his way to be good to me! He was a good man, and he was good to everyone. May he Rest in Eternal Peace.

He was loved by everyone and I learned so much from him. Even when we didn't agree on things, we always could joke about them and have fun!
