Grammy was an amazing influence on me. She was always there when someone needed her. Grammy always wanted to know how I was and what was new. She was my grandmother when I didn't have one. I couldn't imagine growing up without her. I'm so thankful to have known her. ❤️

Grammy is an irreplaceable peace of Art. She bothered me when I didn't have one. She was a grandmother to my children. When they didn't have one. The amount of motherly love in such a small package is mind blowing. My world would be so different if she hadn't walked in and love me when I was so unlovable. The only solice is you are with Eric.
