I was so saddened to learn of Reetie's passing. I will never forget how she reigned over our cruise and the laughs we shared. You will be so missed, Princess!

I remember when we first met. We both worked for BGE and got called in for storm duty on Thanksgiving 2002. My sister made me this big obnoxious "your words" lol tray of Thanksgiving dinner. I walked in the call center with this big tray of food and we locked eyes. I didn't know you from a can of paint but we both burst out laughing. That was the beginning of so much laughter. We had the same raunchy, dark sense of humor. We became "Besties"! Traveling together (We love a cruise) and just enjoying laughter and having like minds! I'll miss you Teresa but I'm so thankful you are no longer in pain. I know in my heart you are with your Mom, Dad, Sister and your beloved Emmy. Rest Peacefully My Friend ❤️
