"**E**yes that twinkle like glistening waters, a face that warms your heart, that genuine smile of true love will remain while we're apart".

"The Lord is close to the brokenhearted and saves those who are crushed in spirit".(Psalm 34:18)

I truly enjoyed having Adriana as a student in our culinary program. She demonstrated wonderful baking skills in class and approached everything she did with care and enthusiasm. Adriana especially enjoyed helping during our catering events, where her signature smile and positive spirit brightened every room. I will miss seeing her beautiful smile. Adriana was a bright light in our program and left us with beautiful memories that we will always cherish. Her love for baking and the joy she brought into our kitchen will always be remembered. My sincerest condolences go out to her family, friends, and all who loved her. ❤️ Chef T - LaTisha Dismuke

My favorite memory with Adriana will always be every single hockey practice or tournament. No matter the outcome, she always had a smile and knew how to make me laugh even after some of the hardest games. She helped me build a positive mindset and I will forever be grateful. I love her so much, hockey will never be the same without her.

I had the privilege of being her teacher a few years ago. She was a sweet, kind soul who always treated others with warmth and gentleness. I will always remember the days she chose to spend lunch in my classroom with a small group of friends. Those quiet moments showed the beautiful person she was. My heart goes out to her family, friends, and everyone who loved her. She will always be remembered. Rest in peace. Carmen Natrin

A memory I have of Adrianna, was at Country Calling, a music festival in OC Maryland. Even though I had spent maybe 3-4 hours with her, she had such a big impact on my life. Her humor, kindness and love for others is admirable.
