Jeffrey K. Minsker

JUN 24, 1958 - MAR 30, 2026

Jeffrey Keith Minsker, born June 24, 1958, passed away peacefully at home on March 30, 2026. He was quietly called home by our Heavenly Father. Jeff leaves behind a legacy of love, kindness, and quiet strength that will be remembered by all who knew him.

Jeff was a devoted family man and a loyal friend. He carried himself with warmth and sincerity, always willing to lend a helping hand or offer a listening ear. His presence brought comfort and joy to those around him. He was known for his sense of humor—often sharing fun facts and following them with a soft, underlying chuckle. Jeff held a steady spirit and a heart as vast as the tallest mountain, drawing people naturally toward him.

Jeff was a proud U.S. Navy veteran who served his country aboard the aircraft carrier USS Nimitz. In his early years, he was an enthusiastic gymnast. He loved hunting, especially fishing, and was a devoted Philadelphia Eagles fan.

He took great pride in the relationships he built throughout his life and cherished time spent with his family—his children, grandchildren, and countless friends. Jeff gave to others without a second thought. Whether through shared conversations, simple moments, or lasting traditions, he created memories that will live on in the hearts of those who knew and loved him. Later in life, Jeff found the way to redirect his life, by finding peace his faith in God.

Jeff is survived by his daughter, Jenna Minsker; son, Andy Bennett; stepson, Tom Hayslip; granddaughter, Madison Griner; great-granddaughter, Riley; father, Barry Minsker; brother, Mike Minsker (Sue); and many nieces, cousins, extended family members, and dear friends who will miss him deeply. He was preceded in death by his mother, Doris Jean Minsker, and his granddaughter, Cameron “Sissy” Griner.

A memorial tribute to celebrate Jeff’s life will be held privately with family.

I'm proud to have shared our brotherhood together, from near & from across the world. I'm proud that we both served our country with pride & honor. I'm glad Mom & Dad gave me a little brother, (so I wouldn't get in trouble alone). Jeff, we share a lifetime of memories. I will never forget you, our fun family adventures, the never ending laughter we had together, as a couple of crazy kids & fun loving adults. I'm a blessed man to have had a sibling to grow up with, I'm forever blessed, with a brother I loved with my heart & soul. We shall meet again my dear friend/brother, and I'll bring some bait & we can catch up with our fishing stories. I am grateful that God took you in a quiet, peaceful manner, with no more suffering, no more demons, no more pain. May the peace of Jesus Christ guide you to your final eternal destination. I'll always remember you & love you Jeff.

To my favorite brother in law...For over 45 years, I had the gift of calling you not just my brother-in-law, but truly my brother. What we shared went far beyond family ties—it was a bond built on laughter, trust, and a deep, unspoken understanding that grew stronger with each passing year. You welcomed me into the family with such warmth and kindness, and from that moment on, you treated me with a love and respect I will always treasure. Through all of life's ups and downs, you were a steady presence—someone I could count on, someone who made everything feel a little lighter just by being there. I will always remember your sense of humor, your generous heart, and the way you made everyone feel like they mattered. I feel so blessed to have shared so many memories with you over the years. Losing you leaves a space in my heart that can never be filled, but I am so grateful for the 45 years of love, laughter, and family we shared. You will always hold a special place in my heart, and I will carry your memory with me always. Rest peacefully—you will never be forgotten. Love, Your Favorite Sister in Law...

I grew up across the street from the Minskys in Elsmere and you couldn't ask for a nicer family. I used to pal around with Andy and his dad as a kid and they were the nicest, kindest folks. Always friendly and watching out for the older folks. I was sad to have lost touch when they left the neighborhood. Just a stand up person Jeff was. My thoughts are with the Minsker family as they work through this terrible loss.
