“ My deepest sympathies to the Quaglieri Family on Tony's passing. I met Tony my first day working at the Administrative Office and we quickly became close colleagues and friends. He was a mentor, vigorous political adversary and fellow lover of Italian Opera and food. His interests were broad and deep on a number of things and he was constantly surprising me with his intimate knowledge of topics. Tony was an important person in my life and I will miss him dearly.

“ Austin and Briana

So sorry to hear of the loss of your dad. I have so many fond memories of him and my sister, Mary. We had some fun times together as a family. They were both so very happy having you in their lives and loved you both unconditionally. They can now be together in heaven. Know that Uncle Ronald and I will always be a phone call away. Keeping you and the family in our prayers
