

## Barbara Ormond Long

May 17, 1944 - June 25, 2020

Barbara Ormond Long, age 76, of Millsboro, DE, left this life peacefully to join the Lord on Thursday, June 25, 2020 at her home. She was born in Riverdale, MD, on May 17, 1944, daughter of the late Rupert Bull and Constance Ormond Brower.

Barbara wore many hats during her life, from raising her six children, working in the school cafeteria, a real estate office, her beloved Goodwill Store, working with her husband in their family business, to cutting hair (both human and canine). Her resume was as whimsical as her sense of style. Barbara was a loving and devoted mother, grandmother, great-grandmother, sister, aunt, and friend. She was loved by many and will be deeply missed by all who knew her.

In addition to her parents, Barbara was preceded in death by her beloved husband, Kenneth E. Long; her son, Ron Long; and her son-in-law, Mike Hoffman. She is survived by her children: Kenneth Long, Jr. (Glady), Conni Long (Mike Dillon), Paula Hoffman, Paul Long, and Bob Long (Lori); her grandchildren: Sara, Stephanie, Amber, Bobby, Derek, Carleigh, Britni, Neijor, and Kenny III; her great-grandchildren: Jakarie, Madison, Isabella, Nicki, and Evilynn; her brothers: Barre Bull (Sandra) and Larry Bull (Sharon); her sisters: Cherita Moran, Geraldine Zetterberg, and Karen Jenkins Kneessi; and many other extended family and friends.

A celebration of life will be held at the home of Barbara's daughter, Conni Long, on Saturday, July 4, 2020, 2812 Sagamore Court, Pasadena MD. Since this is to be a celebration of Barbara and a gathering of family that she loved so much, we encourage everyone to dress casually, share stories of Mom, and laugh.

The family would like to extend their heartfelt gratitude to Delaware Hospice, for the amazing care and support they offered to Barbara and her family.

Please sign the online guestbook located on the tribute page.

FLORIST NOTE: PLEASE DELIVER ALL ARRANGEMENTS DIRECTLY TO THE FAMILY.

“ Barbara was my best friend growing up.....until she reached teenage and then I became a pesky little sister, but that is OK as I have many memories of being with her and we were close as we got older.

We laughed together, danced together (she was a great dancer), walked to school together, played together, shared clothes and when we had children, we spent many hours together. You should have seen us - 2 women and 9 children (her 6 and my 3). We were quite a group, but shopping was fun and just being together was too! She made the best corn fritters I ever tasted - still have her recipe today. My heart is missing her, but I will see her again. My love to my sister - my friend. I sure do miss you!

“ I'm really going to miss her sassy self! There was nothing like thrift store shopping with Grams, she would have me laughing hysterically with her snarky comments & her wild outfits. No matter how bad my day had been I could always rely on a trip to the store with her to make me forget everything else! I can also take pride in the fact NOBODY'S grandma could rock out to some old school rap and dance circles around us!

“ Aunt Barbara was a fun-loving person I remember being at Uncle's house and people are getting dunked and splashed and then we were just having a good time and she always gave as good as she got. A few years back mom had her down here for visit and I met them at a restaurant. It was good to see her. She's at peace now
