She was born on December 13, 1931 in Camp Springs, MD, daughter of the late Bertram and Elsie Biggs. In addition to her parents, she was preceded in death by her husband, Donald Mastracco, Sr., and her daughter Debra Pentz.

Betty spent most of her career as a beloved bus driver for the Prince George's County, Maryland schools. She was adored by her students, her family and the community. After Don and Betty retired, they moved to Rehoboth Beach, DE to begin their next chapter. Betty and Don became very involved with the American Legion Post 5 and Veterans of Foreign Wars Post 7447. Betty loved and cherished the friendships that she made during their time with these organizations and their close-knit community.

“ Butch, Amy, Russ and family: Heartfelt condolences on the loss of Betty. I have such fond memories of Betty and Don through dance, neighbors, Atlantic City and many other memories. Betty and Don were ardent supporters of the "dancers." Our thoughts and prayers are with you at this difficult time. May God grant you the peace that only He can.

“ I will miss your folks so much Butch. There's never a time when I pass by Arundel Drive in Camp Springs that I don't think about all the fun times we had at your home while we were in high school. Your folks always treated me like one of their own. My sincerest condolences to you, Danny, Laura, and Robin. Love, Nancy

“ I remember Mr and Mrs Mastracco hanging out with my parents (the Stones) in Atlantic City when Debbie and I danced on the Steel Pier way back when. They would stay in the “good” hotel next door while we dancers stayed in the questionably safe Clarendon! They were the sweetest people and loved every minute of our dancing world. I know that the three of them (and the cat) are watching over you, Amy, and your family during this most difficult time. May the words and prayers of many help to ease your pain.

“ My memories of Betty Mastracco span many years. The earliest of which is when she brought Debbie to dance — first at Tayac Elementary and then at our Silver Hill studio. Years later when her granddaughter, Amy, was enrolled in our studio she was always front and center at recitals. Upon moving to Rehoboth she would be sure to attend every performance of our Show Troupe and would open her home to all. Her big smile and warm heart will be missed by many Our sincere condolences to all the family.

With love, Bobbe and Gary Reynolds

“ Betty beautiful inside and out, a loving wife, mother, grandmother, great grandmother, all around special lady. She always welcomed me into their home with open arms, big sense of humor and her great laugh. We had great times sharing laughter and sometimes serious talks. I love you Betty and you will be forever missed and loved. Give all our loved ones in heaven big hugs and kisses for me!

“ Betty's smiling face and positive outlook will be missed. She and her husband Don did so much for our Post. On a personal note, she was my friend and I will miss her.
