“ Betty and I worked together for many years. We traveled to conferences together and often covered for each other with clients. We spoke daily during the work week. “ Betty was a very special person. She is such a big part of our family, and we are really going to miss her. We have some lovely memories, but I think my most abiding memory will be of the times we spent together on our last holiday in Antigua in 2019 with Terry and John. We had a wonderful time and vowed to return, but we did not know then that it would be our last holiday together; I think we all left a little bit of our hearts behind joined together in that perfect place. Thank you for sharing part of your life with us Betty. Rest peacefully. With much love to Terry and all your family Sue xxx

“ Gail and I first met Betty when she came to England to visit Terry for the first time. From then on our friendship grew and we were privileged to be very much part of their wedding day in April 2003. Since then we had several holidays together, including Niagara Falls. Our last holiday with Terry and Betty was in September 2018 which included a stay at Virginia Beach. Betty had a great sense of humour, was an excellent cook and made Terry a very happy man. Betty will be sadly missed by all who knew her. Gail and I will treasure the happy memories we have made with Betty and Terry particularly in America

“ Betty was my cousin and friend. Although we lived far from each other, we reacquainted 2 years ago and kept in touch often. I am heartbroken by her passing but I know she was surrounded by her loving husband Terry and her brothers and their families I send my deepest sympathy to them all.
