“ I am sorry that this is so very, very late. I can still hear her laughter in my memory. What fun times with the Korbs. You all have been missed since you left Joppatowne. You are all in my prayers and may you all have found some peace in knowing that she is with Jesus and we will all meet again someday in that southeast corner! My prayers will continue for all of you, each time God brings her to my memory.

“ Our deepest condolences to Dick, Crissy, Traci and Rich towards the lost of Carol and wish to remember her with wonderful memories shared during these times. Carol was always a strong Woman in many ways, battling cancer and winning over it. Nothing stood in her way when she was determined to succeed. She was talented and creative with designing and making personal items for everyone to include decorative pillows and one of our favorites "Elf on the Shelf" dolls! A fond memory was Rich & Brianna's wedding after the reception with dumping out Fish bowls with Floating candles and afterwards gathering at the Hotel drinking Mimosa's. Carol always had a lovely smile and was friendly willing to assist and help out anyone in need. She'll always be remembered within our hearts and will be deeply missed.

“ My sincere condolences to Dick and family on your loss of Carol. When I lived on Dunfield Ct , Carol and I talked almost every day. She was such a nice lady and friend to me. . So talented with her crafts and sewing. I still have some things she made for me. I was so sad when Dick and Carol moved away. You now have an Angel In heaven watching over you all. Hugs to all of you

“ Dear Korb family,  
So very sad to know of Carol's passing.  
She was such a wonderful neighbor when we came to the Court in 1980. She gave me all the right names of people we should know, the dentist, cleaners, Acme store, and of course the JC's for our Christmas Luminaires (maybe that came from Dick?). Loved her being a Mom to Richie (not many babies around, so he was special), and getting GS cookies from Chrissy and Traci, so many memories of that time. I know you will miss her dearly and we send our deepest sympathy. Coleen and Marv Bertsch
