“ Dear Skip,
Merrill David and I are so sorry for the loss of your dear Carol. We both loved her so much. I never had a sister, but with Carol I felt so close to her that she felt like a sister to me. Carol was such a kind loving wonderful person and she will be missed. I'll never find anyone like her to listen to all my stories about our grandchildren because Carol always seemed sincerely interested. She was a beautiful person inside and out. Carol will always have a piece of my heart.
Skip we are here for you. Thoughts and prayers are always with you.
With love,
Gail and Merrill David

“ My Darling Carol, I have tried to write this letter to you many times since you left me, but each time I find there are no words that can adequately express the love I have for you and how much I miss you. As I reflect on our 53 years together, I think of all the goods times we had and the many adventures we shared with Todd and Kelly as they were growing up. You definitely were the rock that held our family together, you were an incredible mother and wife. I know God has plans for you, but I wish he wouldn't have called you home so early. As I think about you leaving us, I do take comfort in knowing you are no longer in the pain and distress you were experiencing, particularly over the last 18 months of your life. Take care, please look down upon each day from your heavenly seat and know that Todd, Kelly and I are looking upward wish you nothing but peace. I look forward to re-uniting with you sometime in the near future.

Love you beyond words can say.

Your beloved husband,
Don

“ Dear Mom,

I know you're pain free and resting comfortably now but that doesn't make your passing any easier. I'm so grateful for sharing this last month with you. I know you waited for me and it was special.

Thank you for being such a great mother. I know I challenged you often and you were incredible. I wish you could have seen the strength and courage displayed by Kelly throughout your final days. I was so proud of her as you would have been also. Dad is doing as well as can be expected, I check on him regularly as I know you would want me to.

Mom you were taken from us much to soon and my heart aches. I love and miss you so much.

Merry Christmas,
Todd
