

Carolyn Marie Hatton

October 14, 1942 - July 13, 2020

Carolyn Marie Hatton, 77, of Merion Station PA, transcended her body on Monday, July 13, 2020. She was at her daughter's home in Delaware at the time of her passing from cancer.

Born in Philadelphia on October 14, 1942, Carolyn attended Northeast High School where she was on the swim team. She graduated from Penn State with her Master's degree in Education and was a member of Gamma Phi Beta. She became a teacher and counselor in the Philadelphia school district and was an empathetic soul who just wanted to help everyone.

Carolyn was a spiritual seeker always striving for eternal joy, peace, and love. She found great solace in meditation, the daily affirmations of her beloved Course of Miracles, the teachings of her Gurus, the Mother Mary & The Quakers.

Carolyn found comfort in writing her daily journals, was a fantastic cook, loved music, was a great dancer, and a champion swimmer. Painting and taking nature photographs on her neighborhood walks brought her joy. In the end, she told her family she was not afraid of death and found peace in her mantra, "Nothing is Real, only Love."

Carolyn was preceded in death by her parents Mildred and Harold Hatton; and her brother, Gary Hatton. She leaves behind her daughter, Jennifer and son-in-law Scott Baver; her brother, Bobby; her sisters-in-law: Kay and Diane; and her nephews: Christopher, Andrew, Bob, and John.

A celebration of life will be held at a later date. Please email lightly8@icloud.com for details.

Donations in memory of Carolyn can be made to Longwood Gardens, PO Box 501, Kennett Square, PA 19348.

“In Him, you have no cares and no concerns, no burdens, no anxiety, no pain, no fear of future and no past regrets. In timelessness, you rest,” Course of Miracles, lesson 109 .

Please sign the online guestbook located on the tribute page.

Comments

“ Jennifer, I just found out about your mother's death. She had sent me a video May 9, 2020 asking for prayers. She said she was waiting for you to pick her up and take her to the Dr or Hospital . I couldn't figure out what was wrong.
I'm just sorry I couldn't get back to her.

I have been busy with Drs. Visits for my husband. I was doing something out on my deck the other day
and I thought about your Mother.
Sylvester Kohut just sent me a message about jour Mom's passing..
May she rest in perfect peace RIPP Carolyn.

“ I knew Carolyn as a neighbor for many years. My interests in aikido and t'ai chi and hers in numerous transcendental aspects of life meant that we always had something to talk about when we ran into each other on the street, which used to occur quite often. I only just learned of her passing yesterday, though, the virus-lockdown having masked her absence. I'm sure she has found the unbounded joy she expected.
