“ Peter,Paul and Chuck and family,

There are no words I can say to express my sorry .I always held you Dad high in my heart.. He befriended me long ago at PGW. He often told me “You could be my son” and I believe it was mostly because of the age spread but I felt that he might have meant it a bit more endearing.I surely will always remember Him and your Mom as great friends.May God rest His and your Mothers souls in eternal life together.
