“ So many great memories from the weekly Monday golf team we were on to the biweekly Wednesday poker nights we enjoyed. Too many laughs to count. But on a serious note I will never forget when we first met how he n Kathy included myself and my then young son when it came to golf or get together. And for that I will always be grateful.

“ Our prayers for Kathy, Gail, Steve and all the extended family members are shared. As I read these many great memories and remarks, I wished I'd had a chance to meet Chris as I feel that we would have had a lot to share of our past. My Mom Bee shared many stories of getting to know your family, and we all one day will be able to share family stories. May God's hand be on all your family this week and coming year as you grieve but also celebrate a great life that Chris shared to the fullest.

“ Brother Chris, we shared many adventures, joys and disagreements as only brothers can. You stood with me when I had my fights in school, and you were right there making darn sure no one jumped in to help the other guy, We knew each other for 66 years and as the next brother I will always treasure our growing up. You were the rock who helped the family through Dad's passing and were always there for your brothers needs. I was glad that Maur and I were able to see you before your passing and I know that GOD lifted you up to be with him in Heaven.
Kathy, you are a great sister and our heart goes out you, Stephen, Gail and the rest of the family. We love you all and hope that now the healing can begin.

“ What's not to love about the two of you, Kathy and Chris. The times I had the pleasure of spending time with you were always so much fun, all with such happy positive attitudes.
My dear sister Bee always spoke of her wonderful co mother and father in law with such admiration and love and I surely do know why she felt that way about all of the O'Halloran family members. Chris will surely be missed by many.
My deepest sympathy to all of you,

“ Chris and his 5 brothers were next door neighbors of ours in little Chester, NJ. He would come over to our house and throw pebbles at our bedroom window to wake us to come out and play. Chris and my brother Chris were best friends and drove cross the country together in my brother's GTO. They also joined the Navy together and have remained close throughout his life. My brother and myself will sorely miss his smile and overall positive outlook on life, love and family.

“ Chris and I were both radiomen on the Voge back in our Navy days. Chris was always a quick wit, and very funny, and we shared a lot of laughs as only Navy brothers can. He was a class act in every way. I will miss him, and someday we will serve together again. Until then, fair winds and following seas my friend.... “ Mr. and Mrs. O played a huge part in my high school years and beyond. They welcomed several us as regulars into their home and even on vacations. I will always cherish our Outer Banks trips along with so many other memories that later included Nicole and my own children. Mr. O will be missed, but never forgotten. His strong spirit and sense of humor were always present in a room and/or on a baseball field. We are praying for him and the entire family.
