

## Daisey Shockley Hudson

July 10, 1947 - September 11, 2020

Daisey Shockley Hudson, of Rehoboth Beach, passed away peacefully September 11, 2020 at Christiana Hospital surrounded by her family.

Daisey was a true native of Rehoboth Beach. She was born in Beebe Hospital on July 10, 1947 of the late Preston and Myrtle Shockley and a proud graduate of the class of 1965 of Rehoboth High School. Truly one of the “vanishing wildlife” (Go Seahawks!). Daisey enjoyed boating and the beach and spent many summer days with her family soaking in the sun. She even married a beach boy! On a beautiful summer day, June 18, 1966, Daisey wed the love of her life, Terry Hudson. Early in their marriage, they ran a restaurant out of Stokes Hotel on Brooklyn Avenue in Rehoboth, which was owned by his parents, Claude and Didi Hudson. She went on to work many jobs and was an entrepreneur, owning and operating Midway Package store for 10 years and Adriatico Restaurant for 14 years. Daisey excelled in so many things because she was meticulous, efficient, thorough, and diligent. A harder worker, you will never meet.

We believe Daisey will best be known for her kindness. Since her passing we have heard from so many whose lives she touched and one of the most frequently uttered phrases is, “She had the best smile”. She will also be known as a kick ass golfer, (member of RBCC for 20 years with her latest title of 2019 Senior Club Champion), amazing dancer, lucky gambler, avid reader, sudoku whiz, and tough, but fair coach. She was quite the athlete at RHS but left her biggest mark on the Lewes Little League field as the Rockets coach from 1980-1989. “Roar, roar Rockets!”

Daisey is survived by her doting husband of 54 years, Terry Hudson, who sang her favorite songs as we ushered her into the next life; son Thad Hudson and wife Judy; daughter Tracy Hudson and Bill Hysler; and her 3 grandchildren who were her raison d’etre; Thomas and Tyler Hudson; and Reece Hudson Hysler. There was not an event, play, recital, game, meet or match that Daisey didn’t attend. Her grandchildren were truly her pride and joy. She is also survived by her sister, Myralon Webb; her brother and his wife, Peppy and Jackie Shockley.

The untimely loss of Daisey is palpable in the community and her family. She was the center of all family gatherings, putting extra love in every bowl of coleslaw, pot of chicken and dumplings, or icing on the cake. Her presence is greatly missed.

All services will be private. Arrangements are being handled by Parsell Funeral Homes & Crematorium, Atkins-Lodge Chapel, Lewes, DE.

In lieu of flowers, memorial donations may be made to Tunnel to Towers Foundation, a nonprofit organization that benefits our nation's first responders and military members in honor of New York City firefighter Stephen Siller, who lost his life on September 11, 2001. Daisey was very patriotic and we feel this charity best fits her life and death. Donations may be mailed to 2361 Hylan Boulevard, Staten Island, NY 10306 or made online at [www.tunnel2towers.org](http://www.tunnel2towers.org)

Please sign the online guestbook located on the tribute page.

“ I am saddened to learn of Daisey's passing. When we were children, our families were neighbors and from that era, I remember her as Myralon's spunky little sister. As an adult I rarely saw her; however, I surely recall exuberance and that memorable smile.

Sincere sympathy to all of you and may your hearts know peace.

“ One of the best things about coming to Dewey Beach each summer was getting to spend time with Terry, Daisey, Thad and Tracy. So many great memories on the boat, fishing, riding four wheelers and playing games together. Daisey was always there with a smile and kind word to make you feel like you were part of the family and at home. Please know that you are all in our thoughts and prayers.

“ Daisey was a Super lady!! It didn't matter where she saw you, she always would give a hug and that beautiful smile!!! As my Employer at Midway Package Store she was more concerned about my safety and told me if someone came in to rob the store I was to give them whatever. So I knew she cared about me. Terry, praying for comfort and healing for you and the family.

“ Oh, Terry, Thad, Judy, Tracy and Bill. Our hearts are broken and shattered by the tremendous loss of your amazing Daisey. She always made being the Super Glue of your wonderful family look effortless and fun ... that sunshiney smile always made the gloomiest of days sparkle! You, her most prized possessions, were treasured and protected by her constant attention, pride and admiration.

Terry, Daisey completely cherished everything about you! Especially when you'd break out in song at Adriatico and sip a couple of those yummy espresso martinis together! You Two were meant for one another ... that was plain to see.

Until you see one another again, know that Daisey's world was so blessed for having all of you, her Best People, in it. God has welcomed an Angel by his side with Daisey.

Love, Richard and Sue Krick
