Jodi,

I'm so sorry to hear of your Mother's passing. Even though I didn't know her, I'm sure she was a wonderful woman by the heart and character of the daughter she raised. Please know that you and your brothers are in my thoughts and prayers. Take all those wonderful memories and wrap them around you like a big blanket of love.

Jody, I'm sorry I never knew your mother. I know you have been a loving, attentive daughter and I'm sure she knew she was loved. I wish you peace in your heart and happy memories of the times you shared together. How blessed we are to know that your mother and all the saints are resting in the arms of our Lord. I love you my friend. Joyce
