

David Mason

December 23, 1959 - November 24, 2021

David A. Mason, age 61, passed away in Rehoboth Beach, Delaware on Wednesday November 24, 2021, of metastatic melanoma. He was born in Rahway, NJ on December 23, 1959, son of the late Richard and Mary Frances (Cifre) Mason.

Dave's family moved to Lancaster, PA when he was a child. He graduated from Lancaster Country Day School. Dave went on to study at Franklin and Marshall College, graduating in 1982 with a degree in Government.

Knowing he always wanted to be his own boss, he started his business while still in college. Initially he painted houses and later was a general contractor in Lancaster. While on vacation to Rehoboth Beach, Dave fell in love with the ocean. He moved to Rehoboth in 2004 and continued his business as a general contractor.

Dave retired in 2017. As a youth, he was an avid skier. That passion gave way to a love of golf as an adult.

Dave is survived by his wife, Jacqueline Smith of Rehoboth Beach, DE; his daughters: Emily (Justin) Wantz of Hanover, PA, and Hannah (Tamlin) Dawson of Portland, OR; his grandchildren; and his sister Toni Mason of Durham, NC, and her family.

Due to the ongoing pandemic, there were no funeral services.

“ So sorry to hear the shocking news of David's passing. I was so sad by this news. I will always remember him from his days at Lancaster Country Day School. His sense of humour and amazing wit never ceased to entertain us. My thoughts and prayers are with his family.

In God's precious love and peace during this holiday season.

“ To the David Mason Family,

I was most shocked to read about David's death. To me, David was that wonderful neighbor that I watched as he was growing up. We would often chat during his high school and college years. He was kind, attentive and someone I knew would go far in life. I send deepest sympathy from my family, the Shertzer "kids," and myself. Will be thinking of you all in the coming days ahead.

*Most sincerely,
Deborah (formerly Shertzer) Everett
