“ Kathy, Dave, Dorie & Family, We're deeply sadden to hear the news about Dave. He was very generous with a heart of gold. I'll always remember the time spent on the beach at Cape Henlopen telling stories, drinks at Irish Eyes, and maybe the most unforgettable the night Rachel and a few of us returned from Dewey Beach around 2am and got thrown out of your hot tub for waking him up...many laughs along the way. He will be missed. Sending our condolences. Love, Zach Schneider & Family.

“ Kathy, Dave, and Dorie, I was so saddened to hear of the loss of Dave. He was much too young to leave us so soon. I still remember us riding on a single bicycle throwing newspapers in Alton, while singing the Batman TV theme song. So sorry we did not get to reminisce. Will try for it in dreams. So proud to have had him as a

friend. I fondly recall helping assemble toys for the kids until four in the morning in the old Dahl house. Really miss you guys. Rest In Peace.

“ To the Moon Family - Bill and I were sad to hear of Dave's passing. We had the pleasure of meeting Dave years ago when we needed a plumber really bad and found "Moon Plumbing" in the phone book. Boy were we lucky! Little did we know we had found the best plumber in Delaware! We missed seeing him after Dave and Kathy retired to Lewes but have had the pleasure of Dave Jr. taking over as our go to plumber for the last several years. Please know our thoughts and prayers are with your family during this difficult time!

We've been in Vermont a decade now, but always enjoyed having our plumbing needs looked after by Dave, and talking to you at the shop. “ Kathy and family,
We were shocked and so sad to see that Dave has passed away! Thinking of all of you and wishing you comfort and peace. Dave was a good man and lots of fun. We were so appreciative, also, when he offered his help with our water problem at the beach house. Never did get together after that. We'll always think of him when we see or eat strawberry ice cream! Love to all! Sharon & Wayne Rineer

Sharon Rineer - June 26 at 10:36 AM

“ There are so many great memories that I have had over the years with Uncle Dave I truly don't even know where to start. To begin, I will always remember Uncle Dave making home made ice cream all day for the family reunion and having the ice cream truck come as well, I really looked forward to that each year. I also will never forget the boat/fishing trips we took when I was younger on the Skipjack and on his other boats he had later on as well. (Especially when Claire & I were the first to jump off his boat into the bay a few years back) I also remember waking up early in the morning with my Dad to come over to read the paper and relax during the peacefulness of the morning and be “one of the guys” before the family would come over bringing the craziness. (A good crazy of course) But most of all I'll miss being called Princess Jr. I'll really miss you Uncle Dave & will never forget how much an impact you had in my life.

“ We have so many great ones of him here in Maine with us. How many toilets have you and Frank set?? The family eating lobster on the gazebo was classic. But the best was just Dave sitting in a chair on the porch watching the family have a good time.

“ To the Moon Family, I'm sorry to hear of Dave passing away, I've know the whole Moon Family since elementary school. I had the pleasure to see Dave a few months ago at a mutual friends surprise birthday party and Dave & I talked about the good old days of growing up in north Wilmington. Dave was a great person & friend, he will be dearly missed by all that knew him.
