

Deborah A. Toner

October 10, 1962 - March 4, 2021

Deborah A. (Kane) Toner, innovative founder of Beach Babies Child Care

Debbie Toner left this earth early on Thursday, March 4, 2021, while surrounded by family at her home. She was born on October 10, 1962 in Wilmington, DE, daughter of the late Robert and Janet Kane.

Deb and her husband, Tom began married life living in New Castle, DE, later moving to the Middletown area, and lastly moving to “their home for life” in Rehoboth Beach, some twenty-five years ago. All immediate and other family members were always a welcome sight at their home. It has always been a home of love, friendship, and kindness. Upon moving to Rehoboth Beach, Deb commenced her career in the world of Early Childhood Education. Starting in 1995, Deb, Tom, and their small staff began with day care service for five children. Over the following twenty-five years, Deb, Tom, their son, Sean, and their staff, now have childcare operations in Lewes, Rehoboth, Townsend, and most recently Milford, Delaware. Hundreds of children in every category, infant through Pre-K, before and after school, summer camp “Beach Buddies” programs, all enjoy the Beach Babies curriculum experience. The program in each location carries the DE STARS Five Star ranking in recognition reports. Deb especially has accomplished much to advance early childhood efforts here in Delaware and has been recognized nationally for her accomplishments in Early Childhood Programs.

Deb’s passing marked the close of a five-year battle with cancer, along with other complications. Her fight with the disease was characteristic of how she lived her life. Over this course, Deb consulted and traveled to hospitals recognized for their work in fighting cancer, explored alternative treatment avenues and medicines, and educated herself on how best to deal with such an insidious disease. All the while, Deb maintained her attention to her business and especially to her family. Deb fought with honor, never complaining, and left no stone unturned in her battle.

This story would not be complete without declaring that Deb Toner truly left her mark on

the world, especially in a little beach town named Rehoboth Beach. Deb loved the beach, the entire beach experience, from restaurants and stores, to parades and holidays and sunny Sundays lazing on the beach. Deb particularly enjoyed her day of rest and relaxation among friends, families, and always her best friend, Tom. Please rest well Deb, you left this sweet life a better place for all of us.

Deb leaves behind her best friend and husband, Thomas "Tom" Toner; her son and the other love of her life, Sean Toner; her grandchildren: Tyler Ward, Hailey Ward, Jackson Ward, and "Charlie" Toner; her siblings: Steve Kane, Bobby Kane, and Peggy Kane and their families; and her additional family members: Paula Kane, Kimberly and Brian Ward, and Michael and Nikki Toner.

Services will be private.

“ For 23 years Debbie has been my boss, mentor, leader, inspiration, and most of all my friend. She has touched the lives of so many and will continue to do so as her Early Childhood Goals for quality care for children continue on.

You are at peace. You are loved. You are able to keep guiding and helping others from a better place. I will miss you dearly and feel blessed to have worked beside you all these years.

“ Having gone to Beach Babies summer camp as a child, to being hired by Ms Debbie to intern there in high school, and now with sending my two children to Beach Babies, I have always appreciated the business that Ms Debbie ran. Although I hadn't seen her in years I knew my children were in good hands because of the work she put in to her daycare over the years. Thank you for providing so many children a safe place to grow and learn. Prayers to her family and friends.

“ The immediate thought that comes to mind when I think of Debbie is genuine sweetness. Every time I would talk to her I quickly had a smile on my face to match her smile and the smile in her eyes. She was such a caring and kind woman. Always empathetic, genuine, peaceful, and yet of course very tough.

Her absence will always be felt. Through Debbie and her family and all and the countless employees, children (and their parents) who she helped, she leaves behind such a positive legacy.

“ Dear Tom and Sean,

We are so saddened to hear about the passing of Debbie. She was one of the sweetest people we've met. She was such a pleasure to take care of and was always so positive and upbeat. She will be missed and we are all thinking of you and your family during this difficult time.

“ Having worked in the childcare field in some aspect for the last 20 years, I have to attribute much of my success to Mrs. Debbie and Mr. Tom. They literally taught me EVERYTHING I know! They gave me the opportunity of a lifetime to work in their Lewes location and I grew with them as a person and employee and eventually ended up at their Townsend location. I have always admired Mrs. Debbie and her willingness to share her knowledge with those she loved and believed in! She saw something in me that I never even saw myself and I will forever cherish that!

“ Oh, Tom. Richard and I share our prayers and love with you and Debbie's family at this beyond sad news of her passing. Two of our grandchildren are Alumni of Beach Babies and loved their time with Debbie and her delightful caregivers. Every time I passed Debbie in the grocery store on the street or in any local Rehoboth Beach business, her beaming smile and happy-to-see-everyone demeanor always made me feel loved! Clearly, she will be dropping shiny pennies from Heaven to her many loved ones and I know Debbie has received her Everlasting Reward in Heaven. Our continued prayers and well wishes for endless amazing good memories and healing.

With Greatest Sympathy,

Richard and Sue Krick
