April 1, 1943 - November 24, 2020

Ella Felker, age 77 of Lewes, DE, passed away on Tuesday, November 24, 2020, at Delaware Hospice Center in Milford, DE. She was born on April 1, 1943 in Lewes, DE, daughter of the late John W. Hudson, Jr. and Myrtle Bunting Hudson. She was also predeceased by two brothers: John (Hucky) Hudson III and George Hudson.

Ms. Felker was a 1961 graduate of Lewes High School and later graduated from Beebe School of Nursing. She went on to serve in the nursing field for over 40 years, retiring from Beebe Hospital. During her lifetime Ms. Felker was fortunate to travel and live in many places, including Midway Island, Japan, and the Bahama Islands. She was an avid collector of many things and was very good at cooking.

Her many fond memories were of the special working relationships with many of the former physicians over the years at Beebe Medical Center, as she considered herself one of the last of the "Old Guard".

Ms. Felker is survived by her sons: Craig Felker (Amy) of Lewes, DE and Glenn S. Felker (Jennifer) of Milton, DE; and her grandchildren: Blair, Gavin, Ethan, and Logan Felker.

Due to the Covid 19 pandemic, entombment at Bethel Methodist Cemetery Mausoleum will be private. A celebration of her life will be announced at some point in the future.

“ I was very saddened to hear of Ella's passing. She was a very bright and outgoing person both in school and her later years. Her destiny was to be a nurse@Beebe Hospital which she fulfilled and was her career. We were blessed to have Ella both as a classmate and as a dear friend and great story teller over the years and she will be dearly missed by all.

“ Jim and I truly loved Ella. She would be walking to work when Jim was on his way to work and always yelled to her. I loved talking to her on her memorable birthdays and was happy when she could come to our class breakfasts. She always had a story from our past in Lewes High School and made us laugh. She was a very unique personality and will certainly be missed. I can't imagine Lewes without her. Love to her two great sons and their family.

“ I will never forget Ella. She was the only one that I had the courage to ask to dance when Mrs. Ellis tried to teach us a "step or two" in early high school. Her humor was unique and I will never forget her. Sleep well Ella.

“ To Ella's Family,  
I have such fond memories of Ella and our times together, especially in high school and county choir. She was such a likeable, cheerful person. We always had a "problem" with giggling in choir! Her brother, George, was in my graduating class, and also a friendly, likeable person. The last time I saw Ella was at my mother's funeral service; I so appreciated her coming and the few minutes we had together. Praying for her family.

“ Ella was one of the more memorable supervisors for the night shift at Beebe. She loved talking about the "old Beebe happenings" and her family as she made her rounds. Recently a few of the nursing staff were remembering her and the "old" days. We shared some good laughs recalling her demeanor and good natured kidding. She was one of a kind.
