“ Ellane and I worked together at the Shepherd's Nook for many years. She did the work of 4 people now. She started at 7:30am every morning collecting baby clothes, food and anything else someone may need and delivering it to where ever it was needed. She had more energy in her little finger than most of us have in our whole body. Such a little lady. Her husband Bob told us that when they got married 50 years ago(at that time) she weighed 104lbs. and after 50 year she still weighed 104 lbs. She was a Christian through and through. When Bob passed away I wanted to go see her but she wasn't doing very well and asked that I wait. Haven't made that trip but hopefully she knew that I loved her very much and have missed her. What a wonderful and loving person. I know Our Lord greeted her with His arms open wide. She truly was a servant of God. RIP Ellane and know how much I loved you and thank The Lord that you were in my life. God Bless and comfort your family. Lou Ann Trummel

“ So sorry to hear about the passing of Mrs. Hein. Her and Mr. Hein were always nice to me when I worked there and never complained at all. Very nice people all the time. My condolences to everyone in the family.
